Guest Lecture On Career Guidance

October 2025, Pune: IT Engineering Department had successfully organized a Lecture on “**Career Guidance**”. The event started with guest felicitation and introduction of the topic. Mr Sathe Chetan Owner of Om Lights , Manjari, Pune gave us a brief information of **Career Guidance** is the process of helping individuals understand their strengths, weaknesses, interests, and abilities to make informed career choices. It goes beyond just picking a career—it’s about planning a fulfilling professional journey based

The objectives of the newsletter are to mainly focus on the Achievements of the Students and Faculty members from the IT dept. in Curricular, Co-curricular and Extra-curricular Activities –
Mr.Shinde D.R
(IT Department)

IT Engineering Department **VISION:**

To develop competent IT professionals with strong technical knowledge, problem-solving skills, and ethical values to serve society and industry.

MISSION:

1. To create an environment for imparting technical education through effective teaching-learning processes.
2. To develop industry-ready and entrepreneurial skills through curricular and co-curricular activities.
3. To provide value-based education for socio-economic development of the nation.

PEO'S:

PEO I: Provide socially responsible solutions to IT-related problems with professional ethics.

PEO II: Adapt state-of-the-art IT technologies in multidisciplinary work environments.

PEO III: Solve broad-based problems individually and as a team member with effective communication.

aspirations. Career guidance involves Self-Assessment Tools, Aptitude Measures a student's natural ability in various areas, Interest in which field, Personality, Stream Selection etc. This session was followed by an interactive session. The session was concluded with vote of thanks which was given by HOD of IT Department Mr. Shinde D.R.. This Lecture was arranged for the Third Year Students.

Second Year Industrial Visit

27 DEC 2025, Pune: The Information Technology Department organized an educational visit to **Tulapur**, a place of historical importance associated with **Chhatrapati Sambhaji Maharaj**. Students visited important historical sites and gained knowledge about Maratha history. The visit was informative and helped students connect classroom learning with India's rich cultural heritage..

Performance Improvement program held in IT Department

Nov, 2025: For improvement of semester result PIP was conducted by IT department. In this program all weak students were engaged daily 5 to 6 hours in study. This program was conducted for 15 days. In this Program for each subject three days were allocated. & Daily students use to do practice of 15 to 20 questions and on every next day the test was conducted. After such a great efforts we all are hoping for a very good result in every Board exam.
