Mechanical Engineering Department

VISION:

To develop the Diploma Mechanical Engineers to fulfill the Socio-industrial needs of the nation through effective education.

MISSION:

1. To create learning environment for acquire effective knowledge through innovative experiments and practices.
 2. To provide technical education with discipline & communication skills for gaining higher studies & improving employability.
 3. To impart technical knowledge based on ethical and moral standards to achieve sustainable growth of the country.
- individually and as a team member communicating effectively in the world of work.

From HOD's Desk

DR.YADAV M.S.

I take this opportunity to welcome you all the Mechanical engineering department Bhivrabhai Sawant polytechnics, JSPM, Wagholi Campus, Pune - 412 207. This year we focused on the main objective to impart institutional and practical knowledge to the

Mechanical engineering best students with enthusiastically. The student are taking great interest with enthusiasm to link with regular college hours as usual. The college is gaining its original **rhythm** and **grass** slowly and steadily day by day. The students are gaining practical and theory knowledge by and large to make **technocrats** of tomorrow who will conquer the world.

Mechanical Department

Mechanical engineering principles are used in a vast array of applications, from designing power-producing machines like engines and turbines to developing everyday products like appliances and vehicles, and even impacting fields like healthcare and space exploration.

Expert Lecture On Entrepreneurship Development And Startup

Aug 12, 2024: Mechanical Department organized an enlightening Expert Lecture on "Entrepreneurship & Startup". The lecture aimed to provide students and faculty with valuable insights into the world of entrepreneurship and the process of starting a successful venture. This program arranged for the second year students .150 students attended this program. The session was delivered by Mr. Nikki Kumar Jha, Co-Founder of Saptkrishi (Sabjikothi), a renowned entrepreneur with extensive experience in launching and scaling startups. Throughout the session, Mr. Jha emphasized the importance of a mindset focused on problem-solving, resilience, and continuous learning in the entrepreneurial journey. Participants were encouraged to think creatively and take calculated risks in their pursuit of entrepreneurial ventures. The lecture concluded with a lively Q&A session, where the expert addressed the queries of aspiring entrepreneurs, providing practical guidance and inspiration. At the end of session Vote of Thanks done by Mr. Kamble M.R.

Kiran Kolpe got runner up position in Wrestling and weight Lifting At Rajgad Campus Bhor.
