Industrial Visit- Barclays

June, 2026: Students of the Information Technology Engineering Department from Bhivrabai Sawant Polytechnic visited Barclays as part of an industrial visit. The visit provided valuable insights into corporate culture, banking technology, and real-world applications of computer engineering concepts. Students gained knowledge about industry practices, emerging technologies, and career opportunities, making the visit an enriching and motivating learning experience.

The objectives of the newsletter are to mainly focus on the Achievements of the Students and Faculty members from the IT dept. in Curricular, Co-curricular and Extra-curricular Activities –
