From HOD's Desk

We aim to create skillful E&TC engineers with ethical values who utilize the opportunities in today's growing communications era and to create a vibrant and stronger India through Electronics and Telecommunication technology.
-Mr. Bhutekar N.E.
(E&TC Department)

4 Days FDP Training Program

TSSMS's Bhivrabai Sawant polytechnic College of Engineering & Research Polytechnic, Narhe, organized a Faculty Orientation & Training Program from **25th to 28th May 2026**. The program was conducted with the objective of enhancing faculty members' professional competencies, teaching skills, and understanding of effective academic practices.

E&TC Engineering Department

VISION:

To develop Electronics and Telecommunication Engineers with sound technical knowledge focusing on social and industrial demands with professional ethics.

MISSION:

1. *To create environment for imparting technical education through effective teaching learning process.*
2. *To develop Industry driven and entrepreneurial skills through co-curricular & extra co-curricular activities.*
3. *To provide value based education for Socio-economic enhancement of the nation.*

PEO'S:

PEO I: *Provide socially responsible environment friendly solutions to Electronics & Telecommunication Engineering related broad based problems adapting professional ethics.*

PEO II: *Adapt state of the art Electronics & Telecommunication Engineering broad based technologies to work in multi-disciplinary work environments.*

PEO III: *Solve broad based problems individually and as a team member communicating effectively in the world of work.*

Faculty Orientation & Training Program

A **four-day Faculty Orientation & Training Program** was conducted to enhance teaching methodologies, communication skills, student engagement, and professional development. Faculty members actively participated in interactive sessions, presentations, and training activities, gaining valuable insights into innovative teaching practices.

The program concluded successfully on **28th May 2026** and contributed towards faculty development, knowledge sharing, and academic excellence at **TSSMS's BSP College of Engineering & Research Polytechnic, Narhe**.

Farewell Party of TY Students

Farewell Party for TY E&TC Students – 27 May 2026

A **farewell party for TY E&TC students** was organized on **27th May 2026** to celebrate their academic journey and wish them success in their future endeavors. The event included **games, performances, entertainment, and appreciation moments**, creating an atmosphere of joy and nostalgia.

Faculty members shared encouraging words, while students expressed gratitude towards their teachers and friends. The event concluded on a joyful and emotional note, creating **cherished memories** for everyone.

Placement Drive

Training & Placement Drive – KION India Pvt. Ltd. (26 May 2026)

A **Training & Placement Drive** was organized at **BSP, JSPM** in collaboration with **KION India Pvt. Ltd.** The session introduced students to industry requirements, job profiles, recruitment processes, and career opportunities.

Company representatives guided students on the required **technical and soft skills, communication, problem-solving abilities, and professional expectations**. The drive provided valuable industry exposure and encouraged students to enhance their skills for future employment opportunities.

Students Speak

I am student of Third year E&TC department it gives me immense pleasure to be selected for newsletter coordinator, where I explored my presentation and communication skills.

Saksham Kumar Alme, Student of TY E&TC Engineering

I am very happy to be elected as newsletter coordinator also assures all of you that each and every progress of E&TC department will be highlighted with all of your support and motivation.

Shravani Dilip Bhandare, Student of TY E&TC Engineering
