- Faculty development Programme

These FDPs provided practical exposure to modern engineering tools, emerging technologies, and professional skills, contributing to continuous faculty development and improved teaching practices.

Civil Engineering Department

VISION:

To develop diploma Civil Engineers to meet ever changing industry and societal requirements for socio-economic growth of nation.

MISSION:

1. To provide healthy learning environment for acquiring knowledge through effective teaching learning process.
2. To develop professional skills and critical thinking ability through co-curricular and extra-curricular activities.
3. To impart technical knowledge with ethical and moral standards to resolve industrial and societal issues.

PEO'S:

PEO I: To make students understand the socio-economic problems on the society, project accordingly.

PEO II: To explore inherent qualities among diploma students and aid them to achieve their goals in the field of Civil Engineering.

PEO III: To provide the students with elite engineering, it will help them to improve their skill for higher studies.

ACHIEVEMENT

State-Level Bridge Making Competition – Tech beats 2K26:

The Department of Civil Engineering, JSPM's Bhivarabai Sawant Polytechnic, Wagholi, proudly congratulates the team of **Rohidas Kotawal, Saurabh Gaware, Vishwas Yawlkar, and Rohit Shinde**, Second Year Diploma Civil Engineering students, for securing the **3rd Prize** in the Civil Engineering Category at the **State-Level Bridge Making Competition – "Techbeats 2K26"**, held on **20th March 2026 at Phaltan, Baramati**.

The students showcased exceptional creativity, structural design skills, teamwork, and technical excellence through their innovative bridge model. Their remarkable achievement reflects the department's commitment to nurturing practical knowledge, innovation, and engineering excellence.

The Civil Engineering Department extends its heartfelt congratulations to the winners and wishes them continued success in their future endeavors.

PLACEMENT HIGHLIGHTS- A.Y. 2025-26

The Department of Civil Engineering proudly congratulates the Third Year Diploma students who secured placements in reputed construction and infrastructure companies during the Academic Year 2025–26. Their success reflects their technical knowledge, dedication, and the department's continuous efforts in enhancing employability. We wish all the placed students a bright and successful professional career. "Success comes to those who prepare with determination. Congratulations to our future Civil Engineers!"

FACULTY DEVELOPMENT PROGRAMME- 22/06/2026 to 24/06/2026

F.D.P. 22/06/2026 to 24/06/2026: The Department of Civil Engineering at JSPM's Bhivrabai Sawant Polytechnic, Wagholi, Pune, successfully organized a **Three-day Faculty Development Programme (FDP) on "Digital Transformation in Civil Engineering: CAD, AI, and Surveying, Sustainability in Civil Engineering."** The inaugural ceremony was graced by Principal Dr. P. T. Kale along with the Heads of all Departments, who encouraged the participants to embrace emerging technologies for academic excellence. The programme focused on enhancing faculty members' technical expertise through sessions on **AutoCAD, Artificial Intelligence, Total Station, DGPS applications, and sustainable construction practices.** Eminent experts from academia and industry delivered insightful lectures and hands-on training, enabling participants to strengthen their professional competencies and stay updated with the latest advancements in civil engineering. The FDP concluded with an enthusiastic response from participants, reaffirming the institute's commitment to quality technical education and continuous faculty development.
