

### ALUMNI FEEDBACK AND STAR ALUMNIES

Sr. No.	Name Of Student	BRANCH AND PASSOUT YEAR	FEEDBACK
1	 MR. SACHIN RATHOD	COMPUTER ENGINEERING 2022	Placement services are very good and satisfied.
2	 MR. OMKAR R. KARANDE	COMPUTER ENGINEERING 2021	I have learned all the things which are required for better performance
3	 MS. PRAJAKTA SASWADE	COMPUTER ENGINEERING 2021	With adequate training and support students enhance their skills and understand how to show their abilities in the best possible way.
4	 MS. VAIBHAVI RANSINGH	COMPUTER ENGINEERING 2021	Nice opportunity for us given by our college Training & Placement Cell.
5	 MS. AISHWARYA TAMBE	COMPUTER ENGINEERING 2021	I am thankful to Training & Placement cell for providing a platform.

6	 MR. DINESH RASAL	E&TC	<p>I would like to share the secret/logic behind the placement which led me to be a part of a core company. Placement training activity led by a superior team, which was conducted in our college helped each and every student more effectively.</p>
7	 MR. SHAILESH S. JADHAV	COMPUTER ENGINEERING 2021	<p>Jspm's engineering college and its Training and placement cell helped me and many students like me to get placed in the first phase of placements. We all were excited in the ending of 6th semester and the reason was placement training which was supposed to be started in the semester holidays, Training was started by a Coursera and many more other resources where clear importance was given to the approach to solve any type of questions and also questions according to the company's pattern and even focus was given on various HR questions and the trainer's also shared their past interview experiences. The training which I received by our college helped me to get through a skill development session and many more.</p>
8	 MS. DIKSHA D. JADHAV	COMPUTER ENGINEERING 2021	<p>There are many opportunities are given by training and placement cell.</p>

9	 <p>MS. SHRADDHA SAINDANE</p>	<p>CIVIL ENGINEERING</p> <p>2022</p>	<p>The training and placement cell of BSP had doing a wonderful teamwork which I have never seen. The efforts taken by all of them is such a great hard work which will definitely result in a good outcome. They have helped a lot of students to get placement in most of the well-known firm throughout India and hope that it will be soon becoming throughout the world.</p>
10	 <p>MS. VARSHA GAVALI</p>	<p>MECHANICAL ENGINEERING</p> <p>2021</p>	<p>Training and placement cell department, help us for searching new job.. they guide us...</p>
11	 <p>MR. SHANTANU PARKHE</p>	<p>COMPUTER ENGINEERING</p> <p>2021</p>	<p>I am in the third year now (final sem). And due to the endeavours of our Training and Placement officer Prof. Raghavendra Kadkol I am placed in a MNC like Meritor group. I feel privileged to have such a brilliant and robust T&amp;P cell, working for numerous students like. Not only the current batch students but also the passed out students can ask for help in placement.</p>

12	 <p>MS. TEJASWEE MANDLIK</p>	COMPUTER ENGINEERING	<p>Training &amp; Placement cell helped me and many students like me to get placed in the first phase of placements. We all were excited in the ending of 6th semester and the reason was placement training which was supposed to be started in the semester holidays, Training was started with Aptitude classes by Quantech Origin where clear importance was given to the approach to solve any type of questions and also questions according to the company's pattern and even focus was given on various HR questions and the trainer's also shared their past interview experiences.</p>
13	 <p>MR. KUNAL PATIL</p>	E&TC 2021	<p>I have a perfect job like software. Training &amp; Placement cell helped me and many students like me to get placed in the first phase of placements</p>
14	 <p>MS. SALONI JADHAV</p>	COMPUTER ENGINEERING	<p>This is a great institute as I can get a lot of practical experience which helped me in learning all the concepts thoroughly. I even had a very good exposure as the trainer used to take all the real-time examples to train.</p>
15	 <p>MR. RUTWIK SURWASE</p>	ELECTRICAL ENGINEERING	<p>I am thankful to Training &amp; Placement cell for providing a platform.</p>

16	MR. DATTA BHISADE	ELECTRICAL ENGINEERING	Training and placement cell help us in preparation of GD, Interview and also in overall development
17	 MS. PRAJAKTA WALAKE	COMPUTER ENGINEERING	Getting more confidence to crack the interview and getting more chances to meet the company's HR and his team
18	 MS. UJWALA SONAWANE	CIVIL ENGINEERING 2021	It's good and incorng to student get it proper way and proper direction to students and all students motivate to your future and gudince so that pacement cell is bright to future of all students etc.
19	 MS. PRATIKSHA GAIKWAD	COMPUTER ENGINEERING 2021	Training and placement cell provides us lot of knowledge. It improves our vocabulary and It trains how to communicate with other person. It gives chance to express our ideas in front of people.
20	 MR. RUTIK KHAIR	E&TC	Training and placement cell is doing a very well job . We are stasified the output given by training and placement cell of BSP ,Wagholi . We got opportunity to fill the form of IT company like Wipro ,Infosys and many more and I am very happy with the result which I have achieved . I am trying to get a good job for me .
